NOTE: Films are scheduled through our distributors on a **week-to-week** basis, and we cannot guarantee how long a film will be playing. A party booked in March for an April date, for example, may not have the particular film you are looking for as the distributor may pull a film from us at any time. We generally know our bookings the Monday before your party date. Prices are subject to change.

ALSO: A cleaning/damage surcharge may apply if excessive trash is left behind or damage done to our facility. **Please be aware of your children's actions.**
